RELEVANT EXPERIENCE

The Iron Yard | Atlanta, GA   Sept 2016 – Dec 2016
Front-End Engineering Student
The Iron Yard is a 12-week coding bootcamp specializing in highly focused, immersive training centered on language fluency, object-oriented programming, and project-based learning.

- Iron Stack – This was our final project at The Iron Yard. IronStack is an organizational tool that helps future Iron Yard students collaborate and easily keep up with their resources.
    - Built with two peers, we created both the front and back end using AngularJs and AdonisJs, which we learned in one week
